1000 Years of Books In One Search...3 Million eBooks One Click Away!

ABE-IPS Sp. z o.o. is pleased to introduce the first ONE-MILLENNIUM eBook Collection. It enables your library patrons to research and download 3.000.000 eBook titles published from the year 1000 till the 20th century...1000 years of publications in one search fully downloadable without restrictions. The ONE-MILLENNIUM eBook Collection has been specially designed for academic libraries that need a comprehensive eBook solution to support students' academic research of primary sources.

The ONE-MILLENNIUM eBook Collection has aggregated some of the best-digitized eBook titles published by American and British universities including Harvard University, Massachusetts Institute of Technology, Stanford University, Oxford University, Cambridge University, Princeton University, Johns Hopkins University and many other University presses. Additionally, it boasts digitized eBook titles from 42 European National Libraries.

Classic works from all-times genius minds such as *Albert Einstein, Charles Darwin, Sigmund Freud, Charles Dickens, Isaac Newton, Aristotle, Marie Curie, Williams James, Max Weber* and thousands of others that influenced society as we know it are well represented in the collections.

The most popular collections:

- ❖ *Classic Literature Collection*
- ❖ *Economics Publications Collection*
